GRANDE PRAIRIE

Please check the map carefully.

If you have any questions please call **780-532-2823** (City Office)

Or during camp season **780-512-5153** (Camp Site Office)

Leave Grande Prairie going south on HWY 40.

Turn left at Camp Tamarack turn-off (just before the Wapiti River valley hill).

Take an immediate right onto an access road, which you will follow down the hill to the gravel pits.

Follow the road around the bends, and take the first road to your left. (watching for Camp Wapiti signs as you go)

Go straight over the drainage ditch and then keep to the right going around a copse of trees. Follow the road as it turns to the left and up the hill.

Then you will take a right turn, followed by a left turn. Follow the road as it winds around and passes through our red gate. Continue to follow this road it will take you directly into our parking area. Registration happens in the dining hall, the large building with stone chimney, directly in front of you and in the center of the camp.
